Please explain for the board why you have a need to keep exotic animals temporarily in the City of Knoxville.

Read the following terms of the application for a temporary permit to keep exotic animals and, after carefully reading, understanding, and considering the following, sign and date signifying your accord and agreement with those terms.

I, the owner/caretaker, assume full responsibility and liabilities of the keeping of this animal. I understand that this animal is dangerous and apply for this permit acknowledging my duty of care both to the animal and to others who may be harmed by this animal.

I understand that, should my application be accepted, I am being granted a privilege, not a right. I acquire no vested interest in continuing to keep exotic animals within the City of Knoxville beyond the stated terms of this permit. I understand that neither the City of Knoxville nor any of its instrumentalities, agents, or employees makes any representations as to continued rights to keep or maintain exotic animals within the City of Knoxville or to extend the duration of the permit or grant additional permits in the future. I absolve the City of Knoxville of all liability flowing from any damage or harm that I or another granted authority under this permit might cause, by negligence or otherwise, in the enjoyment of the privileges granted therein. I assert that I have read and understand the relevant provisions of the City Animals Ordinances in Chapter 5 of the City of Knoxville Code and agree to comply with all relevant provisions of those ordinances governing the treatment, sale, transport, and care of the animals in question and understand the criminal and civil consequences of violating those ordinances. I have read the attached guidelines of care and agree to comply with those terms to the best of my abilities. I further understand that, in the event of a public health emergency, I agree to immediate compliance with directions of public health officials and agree to allow those officials to enter, seize control, and/or close my operations if a situation threatening the public health develops or is discovered.
