

What are your priorities for the sidewalk system in Knoxville?

Place a dot to rate each goal (1 = least important; 5 = most important).

Goals

Construct new sidewalks and crosswalks in areas without pedestrian facilities

1

2

3

4

5

Improve existing sidewalks and crosswalks that are in poor condition

Focus on **filling gaps** between existing sidewalks including crosswalks

Expand pedestrian connections to schools, parks, and other public facilities

Prioritize pedestrian connections to **public transit** and places where people work

Goals	1	2	3	4	5
Construct new sidewalks and crosswalks in areas without pedestrian facilities					
Improve existing sidewalks and crosswalks that are in poor condition					
Focus on filling gaps between existing sidewalks including crosswalks					
Expand pedestrian connections to schools, parks, and other public facilities					
Prioritize pedestrian connections to public transit and places where people work
