

## Downtown Sidewalk Replacement

Project Status (as of March 2012)

**Project Description:** This streetscape project includes the replacement of brick sidewalk on Market Street between Cumberland Avenue and Church Street. This project also includes the improvement of sidewalk on Union Avenue between Market Street and Gay Street. KUB will be providing funding to replace a waterline on Market Street while this work takes place. Other streetscape improvements include adding street trees, decorative brick paver bands, additional on-street parking spaces, and improved lighting. A contract was executed between the City of Knoxville and Design & Construction Services, Inc. for the Downtown Sidewalk Replacement Project.
