<http://registration.knoxvilletn.gov>
- ❖ **Deposits:** A deposit of \$50 per hour is required after the reservation request has been approved. The remaining payment may be paid before or on the day of your party and may be paid online with credit card or at the pool in the form of cash or check.
- ❖ **Rental Size: Your group is based on the total number of people at your rental, and this includes each person present, swimming and not swimming, and must be established 2 days before the day of your event.**  
Everyone in your rental party counts toward the total and determines the number of lifeguards we are required to schedule for your event. If you go over the number of people that you established prior to your party, you must pay the difference for the next price level. You may not downsize in price the day of your party. We must have two days' notice.
- ❖ **Time:** All parties begin at the time requested and approved, not early. You may enter the pool area 15 minutes prior to the scheduled start time to begin set up. You can not swim or play near the water until your party is to begin and the Lifeguard gives you consent.
- ❖ **Catering:** You are welcome to carry in prepared food and coolers, however, no glass containers are permitted in the facility. You may use a caterer or have food delivered; we just ask that you clean up the area in a timely fashion.
- ❖ **Weather:** In the event your party is canceled due to weather, (snow, inclement weather, etc.) before the time scheduled, we will attempt to reschedule. If no date is available your deposit will be refunded. If you begin your party you will be charged for the minimum of two hours.
- ❖ **Cancellations: If you need to call off your gathering, cancellations must be made ten days in advance or your entire deposit will be forfeited.** In the case of a ten day notice your deposit will be refunded, and you will have seven business days to collect your deposit before it is forfeited. **Cancellations due to weather can be made only on the date of your party.**
