

ARE YOU LEADING A PROGRAM IN A CITY PARK? ARE YOU PARTICIPATING IN ONE?

If so, as of 6/1/16, the City of Knoxville Parks and Recreation Department is now offering “Programs in the Parks” and requiring all program facilitators to register their specific program and obtain a PERMIT following approval.

For questions and/or details regarding the Programs in the Park policy and process, please contact Angie Davidson at 865-215-1702 or email at adavidson@knoxvilletn.gov
