

A REPORT TO THE AUDIT COMMITTEE

Report 2018-01 | November 20, 2019

The Civic Auditorium and Coliseum Located at: 500 Howard Baker Jr Avenue in Knoxville, TN 37915

Scope

As requested by the City of Knoxville Audit Committee a comparative review of the Knoxville Auditorium and Coliseum for the period of November 1st, 2013 to March 28th, 2018. The general objectives of this review will be to compare the monetary inflows and outflows, and use of the Knoxville Auditorium and Coliseum before and after the facility was under management of SMG.

Background

The General James White Memorial Civic Auditorium and Coliseum (commonly referred to as Knoxville Civic Auditorium and Coliseum (or KCAC) was built in 1961.

Prior to January 8th, 2013 was operated and managed by the Auditorium/Coliseum Board.

On January 8th, 2013 an Ordinance was passed changing the operation and management of to be managed as an administrative department of the City. This continued until November 1st, 2015 and was a department referred to as Public Assembly Facilities and a Public Assembly Facilities Advisory Board.

On November 6th, 2015 the Recorder's Office received an emergency amendment made to C-07-0076. This amendment authorized full management services of KCAC to SMG for the interim period beginning November 1st, 2015 through June 30th, 2016.

In February of 2016 the City of Knoxville issued a Request for Proposals for the Management and Operation of City of Knoxville Public Assembly and Convention Facilities for a five year agreement. This included the Knoxville Convention Center and Exhibition Center, the Knoxville Civic Auditorium and Coliseum, and Chilhowee Park and Exposition Center. SMG was the only responsive bidder to the RFP.

June 21st, 2016 Resolution R-312-2016 was approved authorizing the agreement with SMG for management services for the Knoxville Convention Center, The Knoxville Civic Auditorium and Coliseum, and Chilhowee Park and Exposition Center effective July 1st, 2016.

Results of Review

First, it needs to be made clear that this comparison is in unlike terms. Accounting for the KCAC Fund in government accounting is very different than public accounting. Attempts have been made to make these numbers as comparable as possible and may therefore not be exact.

Attachment I of this report reflects the financial standing of the KCAC Fund in regards to the City's budget as well as KCAC financial standing in regards to SMG's reported revenue.

Fiscal Year 16/17 was the first full year KCAC was under SMG's management. The total gain and/or loss to the City in this fiscal year reflects a decreased loss to the City. Fiscal Year 15/16 had a loss of \$1,324,021 and Fiscal 16/17 had a loss of \$499,427, this is a savings to the City of an estimated \$824,000. Fiscal Year 17/18 had a small increased loss to the City at a loss of \$782,665, and the final amounts for Fiscal Year 18/19 are not yet available. However, for comparison purposes: When excluding Capital items the loss to the City in Fiscal Year 14/15 was \$1,417,783, Fiscal Year 15/16 was \$1,324,000, Fiscal Year 16/17 was \$499,000, and Fiscal Year 17/18 was \$717,341.

This decreased loss to the City was maintain even through times KCAC was unable to be open. Due to renovations and repairs the Auditorium was closed from June 18th, 2017 to July 19th, 2017 (a total of 32 days) and from December 18th, 2017 to December 27th 2017 (a total of 9 days). In addition the Coliseum was closed from July 2nd 2018 to September 30th, 2018 (a total of 91 days).

Including Capital Items reflects a notable increase in Fiscal Year 18/19 of \$9 million. These Capital Requests have allowed SMG to make necessary repairs and updates to bring KCAC into accordance with Fire Code Regulations, City Code Regulations and TOSHA safety Standards. There were renovations also completed for guest comfort and aesthetics.

In the years of SMG's management there is no reported revenue to the City. SMG uses any revenue acquired to cover operating costs. Therefore a higher revenue reported for SMG means a lower operating support request to the City.

Attachments II are results given to SMG by the City's Finance Department. Attachment III is a spreadsheet provided by SMG to show comparable revenues and comparable gain/loss from operations.

Another financial factor to consider is the Economic Impact events at KCAC have on the City. The Economic Impact is an estimated number based on complex calculations that account for retail sales, sales taxes, hotel rooms, hotel taxes, gas spending, organizer spending, and more. The numbers used for this comparison were provided by Visit Knoxville generated by Destinations International. When the Economic Impact numbers are included the overall impact of KCAC jumps from a loss of \$615,907 in Fiscal Year 15/16 to a positive \$11,370,092 in Fiscal Year 16/17.

Overall it is my opinion that SMG has a positive impact financially.

Disclosures

SMG and AEG Facilities merged under the name ASM Global effective October 2019.

The Internal Audit Department for the City of Knoxville does not qualify to perform GAAP Audits. However, attempts are made to perform reviews in a manner in accordance with GAAP standards.
