

## Augusta Quarry Amenities Phase II Project

**Project Description:** The City has implemented extensive improvements to Fort Dickerson Park including roadway realignment with a new traffic signal, improvements to the park entrance, a parking lot and pedestrian plaza, and installation of underground utilities from the park entrance at Augusta Avenue to the existing parking lot at the Fort Dickerson Quarry to support future facilities.

The Augusta Quarry Amenities Project - Phase II will construct bathhouses and kiosks as well as improvements to the pedestrian path down to the water, a waterfront pier and floating docks.
