

2023 Citywide Guardrail Replacement Program

Project Description: The 2023 Citywide Guardrail Replacement Program allows Engineering to perform ongoing maintenance and installation of guardrails throughout the City.

This project consists of certain identified replacements as well as work that arises on an as-needed basis. The lowest combined unit-rate bid based on estimated quantities was received from Roadway Solutions, LLC. This contract will establish unit prices for guardrail repairs and new guardrail installations.

The contract will include two optional one-year renewals under the same terms and conditions.
