All,

Attached you will find Scoring and Rating Criteria documents for the 2022 CoC Ranking and Review process, and also 2022 CoC Project Applicant Questionnaires. There are two versions of each document, one for all project applicants except HMIS and one for HMIS. The Questionnaire is for you to fill out, and a pdf of the ranking form is for your reference, so you can see how the ranking panel will be reviewing your questionnaires.

Please fill out and return the appropriate Applicant Questionnaire to me at mdunthorn@knoxvilletn.gov and copy Shawn Griffith at sgriffith@knoxvilletn.gov no later than Wednesday, August 31. This year's questionnaire is very similar to last year's and is hopefully much simpler and more straightforward than in previous years, both for the applicants and later for the panel that will review them.

Please remember to submit your draft of your CoC Project Application in e-snaps **by this Friday, August 26.** (If for any reason you have difficulty submitting your application in e-snaps by that deadline, please use the "save as PDF" function in e-snaps and send the pdf draft of your application to Shawn and me at the email addresses above by the Friday deadline. This deadline is a HUD requirement, so we need to see some form of at least a draft application by that deadline. It will still be possible for us to work with you if you need to make revisions of the draft before we submit the final CoC application package at the end of September.)

Thank you for the work that you all continue to do to help people who are at risk of or experiencing homelessness in our community.

Michael Dunthorn
