The City of Knoxville Parks and Recreation Department is pleased to offer American Red Cross Learn-to-Swim lessons for 2019. Our 'Learn to Swim Program' is staffed with American Red Cross certified Water Safety Instructors and Lifeguards. Our goal is to provide participants of any age or skill level, with a positive learning experience that teaches lifelong swimming skills in addition to sun and water safety information. For course or registration information, please email Randy Love at rlove@knoxvilletn.gov. PLEASE REMEMBER; Learn to Swim Courses are offered based on interest with a required minimum of (4) enrolled students per class for lessons to occur.
