

Cumberland Ave. Streetscape Project Public Meeting April 19

The City of Knoxville and the consultants for the Cumberland Avenue Streetscape Project will hold a public meeting on the roadway concept designs for Cumberland Avenue on Monday, April 19 at 6:00 pm in the University Visitors' Center (former Faculty Club) at 2704 Kingston Pike.

The purpose of this meeting will be to inform the public of the Cumberland Avenue Corridor Project status, present the concept designs for the streetscape and to receive comments and suggestions.

There will be an overview presentation about the project history and updates on the urban design plan for the corridor. Please plan to attend.
