For purposes of a return to a lesser position and classification, seniority is to be calculated based on the total amount of time the employee served in the classification to which he is returning plus all time served with the City subsequent to the date when said employee first left the classification to which he is returning.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 1 – General Provisions

For the purposes of defining the seniority of an employee who transfers from one position to another, seniority means the total amount of time served in the classification in any section or department of the City.

For purposes of computing seniority in a classification from which an employee has been demoted and to which he or she is subsequently reinstated, if the employee's demotion was voluntary or was not caused by poor work performance, which can be substantiated by the Department Head or is properly documented, the seniority in the classification from which the employee was demoted shall be cumulative from his or her first service in said classification, providing the employee had served the appropriate probationary period before the voluntary demotion became effective. However, if the demotion was for cause (i.e., a result of poor work performance, disciplinary action, etc.) the seniority shall be measured from the most recent date of employment or placement in the classification.

When an employee holding a position whose present classification title has been changed from another classification title where the job duties and responsibilities were substantially equivalent to the existing or present classification, the seniority shall be computed based upon the service in the prior classification, plus any time served in the new classification following the title change. For example, an employee who has held a classification entitled Laborer and the title was changed to Utility Worker shall count, for seniority purposes, the time served both as Laborer and Utility Worker.

For purposes of computing seniority in connection with reinstatement or re-employment, if the position within the classification for which the individual is eligible for reinstatement or re-employment is a position within the same classification from which the employee was laid off, only the employee's time in that classification shall be considered in determining seniority. If the position for which he is eligible for reinstatement or re-employment is a position within a classification held previously to the classification he held at the time of his layoff, his seniority shall be determined based upon the time served in the classification for which reinstatement or re-employment is being considered plus all time served for the City subsequent to his service in that classification.

Should the seniority of two or more employees be equal, the Department Head shall select between the persons eligible based upon merit and fitness for employment. To this end, consideration shall be given to the quality of the service of these employees

Article 1 – General Provisions

whose seniority is equal. The Department Head shall rank said employees in the order of their quality of service with the criteria including, but not being limited to, attendance, quality of work, amount of work, dependability, attitude, aptitude, knowledge of the job, physical condition, and previous or pending disciplinary action. If, after consideration of quality of service, a tie among the employees still exists, the preference shall be given to the employee with the greatest overall seniority with the City.

Section 101.29. **"BREAK IN SERVICE"** means any interruption in continuous service, except for approved absences. Re-employment does not constitute continuous service.

Section 101.30. **"CLASSIFIED EMPLOYMENT"** means all offices and positions in the service of the City under civil service.

Section 101.30.1. **"UNCLASSIFIED or EXEMPT"** means all employees or positions in the service of the City which are not covered under civil service protection.

Section 101.32. **"JOB CLASS", "CLASSIFICATION", or "CLASS OF POSITIONS"** means one or more positions which are alike in the following characteristics:

Having sufficiently similar duties and responsibilities based upon a relative analysis of weighted factors including knowledge, skills, impact, accountability, working relationships and working conditions so as to be able to require substantially like qualifications of the incumbents;

Requiring similar experience and training at time of hire;

Equitably compensated by the same rate or rate within a schedule of compensation; and which differ from positions in other classes in one or more of the foregoing characteristics. A classification may include a large number of positions or only one position if no other positions of the same kind exist.

Section 101.33. **"CLASSIFICATION ASSIGNMENT"** means the designation of a new position to an existing or new job class in the Classification Plan, based upon the duties and responsibilities of the position.

Specifications are deemed to be descriptive and explanatory of the kind of work performed and not necessarily inclusive of all duties performed. The Executive Secretary/Director of the Civil Service Merit Board shall approve and maintain a master set of all class specifications, which shall indicate the date of adoption or the last revision of the specification for such class.
- Section 101.36.** "**CLASS TITLE**" means the designation given to a job class and to each position assigned to such job class. No person shall be appointed to or employed in a position under a title not included in the Classification Plan.

- Section 101.39.** "**POSITION**" means a group of current duties and responsibilities, assigned or delegated by competent authority, requiring the full-time or part-time employment of one person. A position may be either occupied or vacant.
- Section 101.40.** "**REALLOCATION**" is the assignment of a job class to a higher or lower pay band based on the fact that the relative value of the job class has changed.
- Section 101.41.** "**RECLASSIFICATION**" means the redesignation of an existing position to a different job class due to a permanent and material change of the duties of that position. Reclassification could include a change to a higher, equivalent, or lower pay band.
- Section 101.42.** "**TITLE CHANGE**" means that the present title of a position or a classification has been changed to another title where the job duties and responsibilities were substantially equivalent to the existing or present classification. Retitling a position or a classification alone does not result in a change in compensation.

SECTION 809. WAITING PERIOD TO REPEAT EXAM

An applicant who has competed in an examination may not repeat that examination or take an examination for the same classification within six (6) months from the date of original examination, unless an alternate form is given and/or the Board waives this rule when sufficient reasons warrant such a change.

SECTION 810. ORAL BOARD COMPOSITION

The Board may, from time to time, determine that applicants for certain classified positions shall have an oral board as a part of or in lieu of other selection devices for a position. This interview shall be conducted by a panel of not less than four persons deemed to be knowledgeable in the field or classification for which the examination is being given. One member of the panel shall be a City employee whose work is closely associated with that of the position for which the examination is being administered. This panel member shall not have a vote or voice in the rating given by the panel. Other panel members (i.e., "rating" members) shall be individuals not associated with the particular position for which the examination is being administered. These rating members shall rate the applicants on job-related criteria, and a score for the oral interview shall be awarded by averaging the ratings of the raters. No person shall sit on an oral board that is to interview an applicant who is related to that person within the third degree, either by affinity or consanguinity. Article 10 – Eligibility Register

SECTION 1001. ESTABLISHMENT AND MAINTENANCE OF ELIGIBILITY REGISTER

An eligibility register shall be established by the Board for each classification after each examination given for the classification. Persons placed on the eligibility register for Firefighter Recruit and Police Officer Recruit shall remain on said eligibility register without the necessity for another examination for a period of two years from and after the establishment of said eligibility register, unless specified otherwise in these Rules and Regulations or by a majority vote of the Civil Service Merit Board members. Persons placed on the eligibility register for all other classifications shall remain on said register without the necessity for another examination for a period of one year from and after the establishment of said eligibility register unless specified otherwise in these Rules and Regulations or by majority vote of the Civil Service Merit Board members.

SECTION 1002. AMENDMENT TO OR ABOLITION OF AN ELIGIBILITY REGISTER

In addition to other provisions of these rules regarding the removal of applicants from an eligibility register, the Board has the power in its discretion to amend any eligibility register where it appears that an error has been made or a violation of these Rules or the City Charter has occurred. The Board may abolish any eligibility register or remove persons from a list under exceptional circumstances, including, but not limited to instances or activities that the Board deems in violation of the provisions of these rules or of merit system principles. However, an eligibility register shall not be abolished nor a person disqualified until after notice and an opportunity to be heard has been given to the affected persons.

Furthermore, the Board may cancel an eligibility register, except for a re-employment or reinstatement register, at such time as the register becomes unsatisfactory or undesirable because of changes in the qualifications standards and thus the selection procedure, or for such other reasons as may be in the interest of good personnel administration. In the event that an eligibility register has been cancelled, the affected applicants shall be notified and provided the opportunity to reapply and to participate in the new selection procedure.

SECTION 1003. PLACEMENT ON ELIGIBILITY REGISTER

After each examination for a particular classification, a new eligibility register shall be established for that classification placing the names of all persons eligible in the order of the grade made on the selection procedure. However, because selection matters are discretionary in nature, successful test results and the meeting of all eligibility requirements do not in any way guarantee the selection of an applicant. "Eligibility for selection" and "actual selection" are separate and distinct matters.

SECTION 1004. DISMISSAL DURING PROBATIONARY PERIOD

Any applicant who is certified and appointed and who, during the probationary period, is dismissed for cause, which cause is found to be justified by the Board, shall not be returned to the eligibility register. Any employee dismissed during the probationary period for any reason other than justifiable cause shall be placed on the eligibility register in his/her respective position according to his/her grade for the period which his/her application would have been valid had he/she not been appointed and he/she shall be notified of the remaining time on the register.

Any applicant for a position who knowingly makes any false statement in his application shall thereby forfeit his right to be appointed to a position; and if he has been selected for or given employment, he shall forfeit such employment and shall not within three years thereafter be eligible for employment in any civil service position with the City or be entitled to take any civil service test unless otherwise determined by the Board. The Board shall summarily reject any applicant upon discovery of same.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 15 – Requisition and Certification

SECTION 1501. REQUEST FOR APPLICATIONS TO BE FORWARDED

Whenever a vacancy in the classified service is to be filled, the Department Head shall submit a requisition to the Finance Department. The requisition shall be on an official form and shall specify the department, the classification title, the compensation or pay step, the days and hours of work, the preferred starting date, EEO information if applicable, and whether the service is temporary, seasonal, or permanent, and probable length of service, if not permanent. Upon receipt by the Civil Service Department of a properly executed requisition, the classification shall be posted for a minimum of ten (10) days, unless the classification is posted continuously, has been approved by the Board to be posted annually, was last posted within sixty (60) days, is exempt from the classified service, or as provided otherwise by the Board. The referral of applications shall not be made until the posting period has expired, and the applicants have had the opportunity to be processed through the selection procedure.

Selections for Public Service Worker I may be made from the established eligible register without retesting or reposting for a period of one year from the date of the most recent eligibility register, unless the Department head requests reposting and retesting.

SECTION 1502. RULE OF FIVE

Upon receipt of a properly executed requisition in compliance with Section 1501 of these Rules, the Executive Secretary/Director shall forward to the Department Head the names of five (5) eligible of highest standing for each such position except where otherwise provided for in Sections 1522, 1523 and 1524.3 of this Article. For example, if two vacancies exist, the names of ten (10) eligible applicants of highest standing shall be referred; if three vacancies exist, the names of fifteen (15) eligible applicants of highest standing shall be referred; etc. When the name of any eligible is included in a referral for consideration for appointment, the names of all other eligible on the list having the same final grade as such eligible shall likewise be included in such referral for consideration.

SECTION 1503. JUSTIFICATION FOR SELECTION

All applicants ranking higher on the referral than the applicant selected must be interviewed by the hiring authority. Because hiring decisions are at the discretion of the Department Head, rank order on the referral does not in any way guarantee that an individual will be hired. Ranking on the referral only means that all individuals above the individual selected are guaranteed an interview, but not that such individuals have any preference in the selection process. If there are any applicants above the applicant selected, detailed justifications for selection of the applicant selected must be given, except as otherwise provided for in these Rules. Only after documentation of refusal of employment or justifications for not selecting said applicant(s) shall the Department Head be able to obtain additional names from the register. Upon receipt of the justification for selection, the Executive Secretary/Director may request additional information and/or justification should he/she deem said information necessary to access compliance with the spirit and purposes of these rules and regulations prior to processing the selection.

5. Those on an open-competitive employment list

SECTION 1505. DEPLETION OF REINSTATEMENT OR REEMPLOYMENT LISTS

All eligible individuals on the reinstatement and re-employment lists must have been certified or eliminated from the list before referrals from the remaining lists shall be permitted. When there are no applicants on the reinstatement or re-employment lists, names referred may be taken from two or more lists if necessary in order to refer the appropriate number of eligibles.

SECTION 1506. SUPPLEMENTATION OF ORIGINAL REFERRALS

On notification from a Department Head that one or more eligibles have declined appointment, have failed to respond to a notice properly sent, have indicated they are no longer interested, have not reported for a scheduled interview, or where the Department Head has rejected the applicant(s) and provided justification satisfactory to the Board, the Board shall supplement the original referrals with the addition of the name or names of the eligibles next in order of standing on the list sufficient to provide the Department Head with the appropriate number of applicants from which to make a selection.

SECTION 1507. INSUFFICIENT ELIGIBLE LIST

When fewer than the appropriate number of names are available on a list, the Department Head may make the appointment from the names referred. If the Department Head does not wish to make the appointment from the names referred, the requisition may remain open until additional applicants are tested and placed on the eligible list for that classification unless cancelled by the Finance Department or other authority.

SECTION 1508. CERTIFICATION FROM RELATED ELIGIBLE LISTS

Whenever the number of names on an eligible list is insufficient to make a complete list of applicants to be forwarded for consideration, the Executive Secretary/Director may forward the names of eligible willing to accept employment from lists for classes of higher standing or from lists of other comparable classes. In cases where promotional applicants are available, the list shall not be supplemented with applicants from lists of other classifications.

(This might occur if the applicant refuses the offer of employment, fails the medical examination, polygraph, psychological evaluation, fails to report to work, etc.)

Section 1511.3. A certification by the Department Head that he approves of the action recommended in the Selection Report.

SECTION 1512. REINSTATEMENT TO CLASS

A Civil Service employee who has been retreated from a higher class to a lower class for other than disciplinary reasons, incompetency, or voluntary reduction shall be placed on a reinstatement list for the classification from which he/she retreated. The employees on the "reinstatement to class" list shall be combined with the employees on the re-employment list for such classification in the order of their seniority in the classification. Such employees shall be granted priority over the promotional and the open-competitive eligibility lists.

SECTION 1513 REINSTATEMENT TO POSITION

A Civil Service employee who has "bumped" or moved laterally from one position to another within their current classification for other than disciplinary reasons, incompetency, or voluntarily shall be placed on a "reinstatement to position" list and shall be reinstated to his/her former position with priority over all other lists when said position becomes open.

SECTION 1514. FAILURE TO COMPLETE PROBATIONARY PERIOD DUE TO DISCIPLINARY ACTION

An employee in the classified service who fails to complete the probationary period for a promotional position due to disciplinary action, and is consequently demoted, shall not be placed on a reinstatement list, but shall maintain the rights and privileges of taking promotional examinations.

SECTION 1515. RE-EMPLOYMENT

Re-employment lists shall consist of names of persons who were laid-off in accordance with Civil Service Merit Board Rules and Regulations, and who, at the time of their separation, had attained permanent Civil Service status during their most recent employment with the City. The order in which these names shall be ranked on the re-employment list shall be in accordance with their seniority.

SECTION 1516. DEMOTION FROM A CIVIL SERVICE CLASSIFICATION

An employee in the classified service who is demoted from a classification in accordance with Article 27 of these Rules and Regulations does not have the right to automatically return to said classification unless the employee reapplies, retests and is reappointed in accordance with civil service procedures for said classification.

SECTION 1517. TIE IN SENIORITY ON REINSTATEMENT-TO-CLASS AND RE-EMPLOYMENT LISTS

If the seniority in the current classification of two or more employees is equal, the Department Head shall select between the persons eligible for re-employment based upon merit fitness for employment. To this end, consideration shall be given to the quality of the service of these employees whose seniority is equal. If, after quality of service, a tie among the employees still exists, the preference shall be given to the employee with the greatest overall seniority with the City.

SECTION 1518. RETIRED

No person may be certified from a re-employment list or be re-employed in a civil service job if he/she has voluntarily retired from the City of Knoxville.

SECTION 1519. REMAIN ON RE-EMPLOYMENT LIST FOR TWO YEARS

The name of a classified employee who has been laid off shall be placed automatically on the appropriate re-employment list(s). His/Her name shall remain on said list for a period of two years from the date of separation unless removed earlier by any of the provisions of these Rules and Regulations, and he/she shall be mailed notification 30 days prior to removal from said list by expiration of two year limit. Promotional preference shall be given to laid off employees for an additional two year period providing they qualify by passing all requirements for eligibility.

SECTION 1520. REMOVAL OF NAMES FROM LISTS

Names of eligibles may be removed from an eligible list as a result of the following causes:

Section 1520.1. Refusal of a permanent, full-time appointment with regular working hours for that position, unless eligible is seeking part-time employment;

Section 1520.4. Failure to respond within the time specified in a notice of an inquiry by the appropriate authority unless satisfactory evidence is furnished justifying such failure to respond;

Section 1520.5. Failure to report to a required medical, polygraph, psychological, etc.;

Section 1520.6. Failure to report to an interview;

Section 1520.12. Review of eligibility of any applicant who is found to lack any of the qualifications prescribed as reasonable requirements for admission to the test for the class for which he/she has applied, or who is physically unfit to perform effectively the duties of the position for which said applicant is applying, or who is addicted to the habitual use of drugs or intoxicating liquors to excess, or who has been adjudged guilty of a crime which, if repeated, might constitute a serious risk to the City in the job for which application has been made, or who has made false statements of any material fact, or has practiced or attempted to practice deception or fraud in his/her application, or in his/her tests, or otherwise, in securing eligibility for appointment or attempting to do so;

Section 1520.14. A confirmed positive drug test will result in disqualification of applicants and removal from the eligible list as follows:

- (A) Entry-level civilian applicants shall be ineligible for employment for a period of one (1) year from the date of the drug test and shall be removed from the eligible list for all classifications;
- (B) Entry-level applicants for Police Officer Recruit, Police Cadet and Firefighter Recruit shall be ineligible for employment in said classifications for a period of two (2) years from the date of the drug test and shall be removed from the eligible list for all classifications; and
- (C) Promotional applicants shall be ineligible for promotion to another classification for one (1) year from the date of the drug test and shall be removed from the eligible list in the promotional classification for which he/she was being processed.

Any entry-level or promotional applicant, who refuses to submit to a drug screen, refuses to sign a consent form or fails to report for a drug test is considered the equivalent of receiving a confirmed positive result. Said applicant shall be removed from the eligible list(s) as provided above.

Intentional tampering with the drug testing process by an applicant is considered deception or fraud in the securing of appointment or promotion and is just cause to withdraw the offer of employment and to disqualify the applicant as provided above.

SECTION 1521. REMOVAL FROM ELIGIBLE LIST

Upon any person's name being removed from an eligible list, except at the expiration of their one year eligibility, such person shall immediately be notified in writing, sent to the address on his/her application. Such person may request reinstatement within ten days of receipt of notice. The request must set forth the justification for reinstatement. SECTION 1522. CATEGORICAL ELIGIBLE LIST

For some classifications, scores shall be grouped into categories with each category representing the relative qualification of the applicants. When a vacancy is to be filled, the Executive Secretary/Director shall refer to the Department Head the available eligibles in the highest category of the eligible list. The number of eligibles to which a Department Head is entitled is five times the number of vacancies to be filled. If requested by the Department Head, the next and successively lower categories of eligibles may be referred until the five to one ratio is reached. Also, applicants may be referred in accordance with Section 1524, Expanded Certification, of the Civil Service Merit Board Rules and Regulations. Fewer eligibles may be referred when there is not the required number on the eligible list.

SECTION 1523. SIMPLIFIED EXAMINATION PROCEDURE

For some classifications involving unskilled, semi-skilled, domestic, attendant, custodial work, or otherwise where the character or conditions of employment make it impractical to supply the needs of the service through standard examination procedures, the Executive Secretary/Director may adopt or authorize the use of such other procedures as he determines to be appropriate, based upon a job analysis and which will assure the selection of such employees on the basis of merit and fitness. In such cases, the evaluation shall determine if applicants meet the minimum equal duties of the job and if so shall rate them as qualified and place them in random order on the eligible list. When a vacancy is to be filled from such an eligible list, all eligible applicants shall be referred to the Department Head for consideration.

SECTION 1524. EXPANDED CERTIFICATION

The use of expanded certification to remedy an under-representation of women or minorities in the City's workforce when properly documented requires the approval of the Board.

Section 1524.1. Recommendation for Expanded Certification

If the EEO staff, by independent analysis or upon request of the Department Head, determines that a department is unable to fulfill its commitments under the Affirmative Action Program, and believes that expanded certification is the appropriate method of fulfilling said commitments; a recommendation for expanded certification shall be made to the Executive Secretary/Director.

Section 1524.2. Decision

The Executive Secretary/Director shall make a decision on the use of expanded certification.

Section 1524.4. Referral

When vacancy(ies) exist(s) (and expanded certification has been approved), there shall be a minimum of two women or minorities (whichever is underrepresented) in each group of five to be forwarded. If the list must be expanded to accomplish this minimum goal, all applicants whose ranking on the list is higher than those for which the list was expanded, must be referred to the Department Head for consideration and all applicants referred must be interviewed by the appointing authority. .

Section 1524.5. Expansion Not Approved

In the event that no minorities or women are eligible, expanded certification shall not be approved by the Executive Secretary/Director.

Article 16 – Initial Employment Probationary Period

SECTION 1601. LENGTH OF INITIAL EMPLOYMENT PROBATIONARY PERIOD; EXTENSION OF SAID PERIOD

All personnel receiving an initial appointment to a classified position shall be required to complete satisfactorily a one-year probationary period prior to receiving a permanent appointment. The length of any absence from duty of more than 20 consecutive working days shall be added to the initial employment probationary period. For example: an individual who is absent from duty for 30 consecutive working days would have ten working days added to the individual's initial employment probationary period.

Section 1601.1. Extension of Initial Probationary Period For Uniformed Police and Fire Employees

For uniformed employees in the Police and Fire Departments, the initial probationary period may be extended for up to an additional twelve (12) months for injured employees who are temporarily unable to complete the physical standards required for graduation from the Police or Fire Academy or for completion of the Police Field Training program. Probationary employees who are laid-off and re-employed in the same classification, but different position, from which they were laid-off, shall begin a new probationary period from the date they are re-employed.

SECTION 1603. EVALUATION OF PROBATIONARY EMPLOYEE

The probationary period is an adjustment and trial period for the probationary employee during which the employee's attitude, work performance, job compatibility, and other job related criteria will be observed and examined by his/her supervisor(s). A job related performance evaluation form should be completed by the immediate supervisor on every probationary employee no less than three weeks prior to the end of the probationary period. The immediate supervisor should review the evaluation with the employee. After review of it with the employee, the immediate supervisor should submit the completed performance evaluation form to the Department Head for his/her review and approval. The immediate supervisor may submit to the Department Head his/her recommendation to dismiss a probationary employee, along with appropriate documentation, any time prior to the expiration of the probationary period if, in his/her judgment, such action is warranted. Should the Department Head choose to dismiss the probationary employee, he/she shall forward a Statement of Disciplinary Action (Probationary Employee) to the Civil Service Director prior to the end of the employee's probationary period.

SECTION 1604. INELIGIBLE FOR APPEAL OF DISCIPLINARY ACTION

Section 15-53 and 15-54, the Civil Service Merit Board has the authority and responsibility to hear allegations of discrimination with regard to personnel practices, to conduct any investigation it deems necessary into matters of personnel administration, and to specify rules as to the conduct of investigations.

17.02 Purpose

The City of Knoxville (the “City”) prohibits discrimination in employment on the basis of race, color, sex, age, religion, national origin, and disability. The City will take all necessary steps to comply with existing federal and state fair employment laws and guidelines. The City is committed to providing a work environment that is free of discrimination.

In keeping with this commitment, the City maintains a strict policy prohibiting sexual harassment or any other harassment based on a protected class such as race, color, disability, national origin, age, sex, or religion. Any unlawful harassing conduct in the workplace, whether committed by supervisors or non-supervisory employees, is strictly prohibited.

17.03 Employee Complaints of Discrimination and/or Harassment

Any employee who believes he or she has been the subject of discrimination or harassment due to his or her sex, race, religion, age, national origin, color or disability should submit a written complaint of the alleged act immediately to the Civil Service Director. Upon request by the affected employee, the Board staff shall assist him/her with the transcription of the complaint as needed. In the alternative, the written report may be made to the Director of Law. If such a report is made by an employee to any supervisor, Director, or Senior Director, the party to whom the report and written complaint has been made must notify the Civil Service Director or the Director of Law as soon as possible. If the employee making the complaint does not believe his or her complaint is being addressed, the employee should immediately report this situation directly to the Civil Service Director or, in the alternative, to the Director of Law.

If deemed necessary upon review by the Civil Service Director, an investigation of the complaint will be undertaken by the Civil Service Director, or alternatively the Director of Law, as soon as possible after the report is made. This investigation may include, but is not limited to, interviews of witnesses and an examination of relevant documents. A summary report of facts will be submitted by the Civil Service Director, or Director of Law, to the Mayor, Department Head of the accused employee, and the Director of Law.

17.04 Investigation Procedures

Upon receipt of a written complaint by an employee who believes he or she has been the subject of discrimination or harassment due to his or her sex, race, religion, age, national origin, color or disability, the Civil Service Director shall serve a notice of the complaint, to include the date, place, and circumstance of the allegation(s) as soon as is practicable to the Department Head of the department alleged to be responsible for the discrimination or harassment, to the Director of Law, and to the Mayor.

After serving notice, the Civil Service Director shall make an initial review of the charges as soon as is practicable. If it is determined upon initial review that the circumstances are not appropriate for the investigation process, a written explanation shall be provided to the

complainant and shall be copied to the Department Head of the department alleged to be responsible for the discrimination or harassment, to the Director of Law and to the Mayor.

If it is determined upon initial review that the circumstances are appropriate for the investigation process, a Civil Service investigation shall be initiated as soon as is practicable. Civil Service investigations shall be conducted by the Civil Service Director and shall include an attorney from the Law Department to serve as co-investigator and witnesses to the investigation. A member of KPD Internal Affairs Unit or another trained member of the Civil Service staff may also serve as a co-investigator at the request of the Civil Service Director on an as-needed basis. Investigations shall include, but are not limited to, any or all of the following: interviews of the complainant and the accused, interviews of witnesses, and review of relevant documents. Pursuant to the City of Knoxville Charter, Article X., Section 1003. (F) (4), the Civil Service Board shall have the power to administer oaths and to secure, by subpoena, in the name of the City, the attendance and testimony of witnesses and the production of records and papers relevant to any investigation which it deems necessary concerning the administration of personnel. To the extent possible, scheduling of interviews shall be coordinated with the Department Head of the employee being interviewed so that work flow is not disrupted. To the extent practicable, interviews will be taped.

As may be appropriate, City employees questioned will be presented with, and have explained to them, a Garrity Warning which states that City employees questioned as part of a Civil Service investigation are compelled to answer questions or be subject to disciplinary action, up to termination and that no information provided by a City employee as part of a Civil Service investigation may be used against him/her in a criminal matter.

At the conclusion of the fact finding process, a Summary Report of Facts shall be submitted by the Civil Service Director to the Mayor, Department Head of the accused employee, and the Director of Law for judgment and disciplinary considerations. Article 18– Police Cadet/Apprenticeship Program

SECTION 1801. PURPOSE

The Police Cadet/Apprenticeship Program is created to enhance the recruitment of potential applicants for Police Officer who are between the ages of 18-21 and before their careers have been determined in an area other than law enforcement. This cadet program is also proposed to (1) enable the City to improve its minority hiring and development of Police Officer candidates; (2) enhance recruitment of applicants who meet all qualifications; and (3) assist the Department in providing better services to the City, as well as meeting the policing needs of the future. The cadet program will allow us to develop target groups for recruitment purposes in high schools, colleges, etc.

The Police Cadet/Apprenticeship Program is an alternative for those applicants between the ages of 18-21, who are not old enough to be employed as Police Officers, yet wish to pursue Law Enforcement with the City of Knoxville as a career. The cadet/apprenticeship program will allow such candidates to be employed in non-enforcement activities, while receiving law enforcement training and, if desired, attending college under the City's tuition reimbursement program.

The Cadet/Apprenticeship Program is not a permanent career position with the Knoxville Police Department. This aspect of the program should be clearly understood by all applicants for the position and will be documented by having each applicant sign a Condition of Employment Agreement. The Cadet position is an exempt (non-civil service), trainee position (the Board having determined the position to be exempt consistent with the guidelines set forth in Section 201 of the Rules) in which future police officer candidates obtain training and field experience.

Although Police Cadets are exempt from civil service, the Cadet Program is governed by these rules to ensure completion of all conditions for certification as a Police Officer under Civil Service.

The goal of the Police Cadet/Apprenticeship Program is to prepare individuals between the ages of 18 and 21 to become commissioned Police Officers through education, training, and work experience. The Cadet/Apprenticeship Program is not a permanent career position.

SECTION 1802. MINIMUM REQUIREMENTS

The following are the minimum requirements for employment as a Police Cadet:

- (1) Must be at least 18 years old and not have reached their 21st birthday upon entry into the Cadet/Apprenticeship Program. Proof of age is required. Except during periods when Cadet is continuously posted, applicants may apply for Cadet at seventeen (17) years of age and be tested; however, eligibility for employment will be deferred until reaching 18 years of age.
- (2) Must be a high school graduate or G.E.D. A graduate's diploma or certificate should be submitted with the application. Except during periods when Cadet is continuously posted, a current high school senior may apply, however eligibility for employment will be deferred until the senior's graduation and receipt by Civil Service of the diploma or certificate.
- (3) Must successfully pass the following requirements for a Knoxville Police Officer, with the exception of being 21 years of age. This includes but is not limited to the written

- (6) Applicant may be required to submit to a polygraph examination.
- (7) Must be interviewed and accepted by Knoxville Police Department from Civil Service Cadet eligibility register in accordance with applicable Civil Service Rules and Regulations.

SECTION 1803. POLICE CADET ELIGIBILITY

Once an applicant successfully passes all requirements for Police Cadet, said applicant shall be placed on the eligibility register for Police Cadet for a period of two (2) years without the necessity for another examination unless specified otherwise in these Rules and Regulations by majority vote of the Civil Service Merit Board. If an applicant reaches 21 years of age during his/her two years of eligibility as a Police Cadet, he/she shall be scheduled for the physical performance test and, upon passing, shall be transferred from the Police Cadet eligibility list to the Police Officer eligibility list without the necessity of re-examination for the remainder of the original two years of eligibility.

SECTION 1804. PROGRAM COMPONENTS

The Police Cadet/Apprenticeship Program includes three (3) major components which are designed to qualify the cadet for eventual appointment to the classification of Police Officer. These components are:

1. Police Basic Training
2. Work Experience
3. College Education (Optional)

Each Cadet is required to satisfactorily attain department standards in each of the above program components as described in Section 1805 of this Article as a condition of continued employment.

SECTION 1805. CONDITIONS OF CONTINUED EMPLOYMENT AS A CADET

Section 1805.1. General

The Cadet/Apprenticeship Program is a civilian position exempt from civil service status (the Board having determined the position to be exempt consistent with the guidelines set forth in Section 201 of the Rules). Appointments to the Cadet/Apprenticeship Program will be made for a minimum duration of one year to a maximum of four (4) years, depending upon the age of the Cadet. A Cadet who reaches 21 years of age and who has successfully completed the Knoxville Police Department's Recruit Academy may be certified to Police Officer (or Police Officer Recruit if still in the training academy) even though he/she has not completed the minimum one (1) year of service as a Cadet. If all other requirements have been met, the Chief of Police and Executive Secretary/Director may request that the minimum one (1) year of service as a Cadet be waived by the Board. At no time will any Cadet be retained in the Cadet Program beyond twenty-two (22) years of age.

Article 19 – Performance Evaluations

SECTION 1901. ANNUAL EVALUATION

Each Department Head shall provide the Board with a performance evaluation on each employee annually to maintain a performance record consistent with the uniform guidelines. This evaluation is to be conducted by the immediate supervisor, to be reviewed with the employee and signed by the employee and then to be transmitted to the Department Head for his/her review and approval. Except in accordance with Section 1903, if any reviewing supervisor disagrees with the evaluation, he/she should discuss his/her concerns with the immediate supervisor who will determine whether to make changes to the evaluation. If the immediate supervisor does not make changes, the reviewing supervisor may list concerns in the appropriate comments section. A copy of the final evaluation with all required signatures must be given to the employee. The original evaluation is then to be submitted to the Board Office.

SECTION 1902. CRITERIA FOR EVALUATION

The purpose of performance evaluations shall be to evaluate one's quantity and quality of work, attitude, job compatibility, and other job-related criteria to be considered in completing probationary periods, making promotions, demotions, transfers, reinstatements, dismissals, reductions in force when there is a tie in more than one employee's seniority date, test validation studies, determining eligibility for performance pay, and assessment of training needs.

SECTION 1903. RIGHT OF APPEAL

The evaluator (immediate supervisor) shall discuss each performance evaluation with the employee being evaluated. If the employee is not satisfied with his/her performance evaluation, he/she has seven (7) calendar days after receipt of the evaluation to attach any statement or documents that relate to the subject matter. The forms and all attachments shall then be reviewed by the next higher (intermediate) supervisor. The intermediate supervisor must sustain or amend the evaluation in writing within seven (7) calendar days after receiving the appeal.

If the next higher supervisor upholds the immediate supervisor's evaluation and the employee still disagrees, he/she may within seven (7) calendar days of the answer from the intermediate supervisor request a review of the evaluation and discussion with the Department Head who shall sustain or amend the evaluation in writing within seven (7) calendar days after receiving the appeal. The employee's written statement and/or documents shall be forwarded with the evaluation and the Department Head's decision to the Civil Service Merit Board to be placed in the employee's permanent personnel file.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 20 – Transfers

SECTION 2001. TRANSFER LIST

A transfer list for each civil service classification shall be kept separate from the eligibility register.

SECTION 2002. ESTABLISHMENT OF TRANSFER LIST

Requests for transfer can be submitted for classifications that an employee has previously obtained Civil Service status in. All requests that meet this requirement will be accepted unless the employee has been demoted from the position previously in accordance with Article 27. Employees will remain on the transfer list for a period of one year from the date that they were placed on the list. At the conclusion of one year of placement on the transfer list, the employee must re-submit a request in order to stay on the transfer list.

SECTION 2003. MAINTENANCE OF TRANSFER LIST

An employee must have completed his/her probationary period to be eligible for transfer from one department to another. This rule may be waived in exceptional cases by the Board when it is shown to be for the good of the City. Employees who are eligible for transfer from one department to another shall be placed on this list in alphabetical order. The employees on the transfer list shall be forwarded for interview when a vacancy occurs in another department before those on the promotion list, re-employment list, or eligibility register are forwarded; however, it is not mandatory for the Department Head of said department to accept them for transfer if for some reason the Department Head feels that they are unacceptable for transfer to the vacant position.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 21 – Promotions

SECTION 2101. PROMOTIONS AND OPPORTUNITIES

It is the policy of the City, in accordance with the Affirmative Action Program, to provide promotional opportunities, whenever possible, to qualified employees. Employees are encouraged to take advantage of these opportunities by qualifying themselves for advancement through further education and study, by passing the appropriate examination and attaining a place on the appropriate promotional eligibility register, and by a high level of job performance, service, interest and loyalty.

SECTION 2102. PROMOTION POLICY

In accordance with Section 1005 of the Charter, promotion shall be based on "merit" to be ascertained so far as practical by competitive evaluation, as set forth in the Board Rules and Regulations. A City employee cannot achieve promotion without being formally promoted in accordance with these Rules and Regulations. Furthermore, service alone in a position is not sufficient to achieve promotion to that position. A promotion does not mean assignment to a position, without express promotion, even though the position to which the employee is assigned is normally held by a person of higher rank or pay band. Also, the mere performance of duties by an employee in another classification does not entitle the employee to compensation other than that provided by his/her official current classification.

Section 2102.1. Consideration of Promotional Applicants

Vacancies, in positions above the lowest rank in any classification in the civil service, shall be filled, as far as possible, by the promotion of employees with civil service status. With a view toward the selection of the best available applicant for each position, recruitment may also be made from outside of City employees. When the eligibility register is prepared for referral to the department, said register shall be expanded if and as necessary to include the five highest scorers on the civil service examination. If expanded to include entry-level applicants, the hiring authority must still interview and give consideration to those with promotional preference before interviewing and considering the entry-level applicants.

Section 2102.1.1. Length of Placement on Promotional Register

Any City employee with civil service status as prescribed herein who takes any non-uniformed civil service examination and passes all requirements, shall be placed on the eligibility register for a period of two years. Promotional applicants for all classified positions in the uniformed bodies above the rank of Recruit who takes any civil service examination and passes all requirements shall be placed on the eligibility register for a period of five years.

Section 2102.2. Increase in Duties

Promotions and reclassifications which involve a salary increase, in every case, must involve a definite increase in duties and responsibilities and shall not be made merely for the purpose of effecting an increase in compensation.

Section 2102.3. Selection Procedure

The Civil Service Director in consultation with the Department Head shall determine the method of selection, and shall use one or more of the selection procedures and the certification process when filling a vacancy by promotion as described in these rules. Final method of selection shall be subject to the approval of the Civil Service Director.

Section 2102.4. Determination of Open-Competitive vs. Promotional

The Board, or their representative in consultation with the Department Head, shall, in each case, determine whether an open-competitive examination or a promotional examination will best serve the interests of the City in attracting well-qualified candidates.

SECTION 2103. PROMOTIONAL EXAMINATION

The term "promotional examinations" signifies a fitness test to determine the relative standing of promotional candidates for positions in the specific class. A promotional competitive examination may include eligible employees in specific classes in all departments, a few departments, or only in the department for which the promotion register is being established.

Section 2103.1. The Executive Secretary/Director to the Board, in consultation with the Department Head, subject to review by the Board, shall determine whether the promotional opportunity will be restricted to a specific class or classes of qualified applicants in the departmental unit or units eligible to compete, or will be available to all employees who have civil service status.

SECTION 2104. TYPES OF PROMOTIONAL EXAMINATIONS

Promotional examinations shall consist of job related tests of the same types as are prescribed in Sections 802 and 2113.8.

SECTION 2105. TRANSFERS BETWEEN PROMOTIONAL AND OPEN COMPETITIVE LISTS

An employee who completes his/her initial civil service probationary period and achieves civil service status shall be transferred from any open-competitive registers on which he or she is currently eligible onto the promotional list for that job classification(s). The employee shall remain eligible on the promotional list for any time remaining from one year from the date of being placed on the open-competitive eligible register.

An employee who is on a general government promotional list and who separates from the City (with the exception of discharge for cause) shall be transferred to the open-competitive list for that job classification for any time remaining from one year from his or her being placed on the promotional eligible register.

SECTION 2106. PERFORMANCE AND EDUCATION ACHIEVEMENT CREDIT

Credit may also be authorized by the Board for City employee performance evaluations and education achievement and these, also, shall not exceed five points. Documentation will be required. The applicant must receive a passing grade on the examination before any of the above stated credit may be added.

SECTION 2107. ELIGIBILITY TO COMPETE IN PROMOTIONAL EXAMINATIONS

Promotional examinations shall be open only to permanent City employees who have civil service status and who have served in a specified class/classes for such period as shall be prescribed by the Board. No employee shall be eligible to compete in a promotional examination

without having satisfactorily completed the probationary period and met the acceptable work standards for the present position during the period as provided in these Rules. The completion of the probationary period as an eligibility requirement for a promotional examination may be waived in exceptional cases by the Board when it is shown to be for the good of the City.

SECTION 2108. SERVICE RATING

An employee shall be deemed eligible for a promotional examination only if his/her last service rating was satisfactory.

In the event that a uniformed employee in the Knoxville Fire Department does not meet a minimum qualification for a promotional examination due to a documented temporary disability, the employee may submit a written request to Civil Service for a temporary waiver of the requirement. The Executive Secretary/Director and the Chairman of the Civil Service

Article 21 – Promotions

Whenever the Board orders a promotional examination to be held, notice of such examination shall be published and posted in the department or departments in which eligibles are employed. The appointment or employment of any individual in violation of the Charter or the Rules and Regulations promulgated pursuant to the Charter shall be invalid from its inception, and said individual shall have no right to hold, or continue to hold, or to receive compensation while holding, any position to which he was not appointed in accordance with the Charter or Rules and Regulations adopted pursuant thereto.

SECTION 2113. CAREER DEVELOPMENT PLAN FOR THE KNOXVILLE POLICE DEPARTMENT

Section 2113.1. Career Development Philosophy

The future of police service will be determined by the quality of personnel who can be attracted to its ranks. Failure of the police organization to meet the expectations of qualified individuals will result in low employee morale and generally poor performance. The improved effectiveness of the police organization will be based significantly on the output of the individual employee properly placed in the organization and motivated through increased responsibilities and incentives.

Career development is a planned organized process which begins at the time of an individual's initial employment and continues until the end of his/her working career. Career development necessitates the establishment of career paths and options. These career path options offer opportunities for individual members to pursue career choices throughout their employment, and at the same time, increase organizational productivity and proficiency.

Career development seeks to serve the individual member and the police organization. This will result in a policy agency better equipped and motivated to serve the community in law enforcement.

Section 2113.2. Career Path Alternatives

Implementation of the Career Development Plan will create career paths for uniformed bodies, both horizontally and vertically, and create a cohesive organizational structure. The Career Development Plan provides two (2) career paths for the uniformed bodies.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 21 – Promotions

Both career paths provide a defined plan for career advancement and personal development spanning over a specific period of time. Each individual will be offered counseling on career path opportunities. The degree of difficulty for advancement is directly related to the knowledge, skills, and abilities required to execute the job successfully. Structured career paths serve to strengthen the structure of the Knoxville Police Department to insure the attainment of the overall goals and objectives.

Listed below are the specific career paths which are designated for the uniformed bodies in the Knoxville Police Department:

- * Police Officer
- * Supervisory/Management

Section 2113.3. Provisions Common to All Career Paths

Annual testing for Career Development Classifications in the Police Department will be done by the Civil Service Merit Board in the Police Officer Career Path unless otherwise requested by the Police Chief and approved by the Board. Annual testing does not imply or indicate that an actual vacancy exists. It only means that an eligibility list is being created or updated. Should the Department Head for the Police Department declare that a vacancy is to be filled in any of the classifications in which annual testing has occurred, the vacancy will be filled from the established eligibility register. However, because promotional matters are discretionary in nature, successful test results and the meeting of all eligibility requirements do not in any way guarantee a promotion. "Eligibility for promotion" and "actual promotion" are separate and distinct matters.

When a vacancy occurs, all employees shall be eligible to demote to a position in which they have been previously certified or may compete for another lesser position if they so desire.

Nothing in this Career Development Plan is intended to limit the number of positions which can be allocated to any classification, although limitations may be provided through administrative or budgetary processes.

The term "minimum requirements" which is used throughout this Career Development Plan is intended to include any requirements listed in these Rules and Regulations plus requirements listed in the respective classification specifications or posting announcement.

Section 2113.4. Police Officer Career Development Option

The Police Officer Option is structured into five (5) classifications known as Police Officer, Police Officer I, Police Officer II, Police Officer III, and Police Officer IV. Minimum standards and qualifications for entry into the four (4) promotional classifications will insure that quality training, achievement and advancement occur within the police department.

All Police Officers who have met the minimum requirements for the vacant position will be eligible to compete for Police Officer I and Sergeant.

All Police Officer I's who have met the minimum requirements for the vacant position will be eligible to compete for Police Officer II and Sergeant.

All Police Officer II's who have met the minimum requirements for the vacant position will be eligible to compete for Police Officer III and Sergeant.

All Police Officer III's who have met the minimum requirements for the vacant position will be eligible to compete for Police Officer IV and Sergeant.

All Police Officer IV's who have met the minimum requirements for the vacant position may compete for Sergeant.

Section 2113.5. Criminal Investigator Career Development Option

All Criminal Investigator III's who have met the minimum requirements for the vacant position will be eligible to compete for Police Officer IV and Sergeant.

- | | |
|--------------------------------------|-----------------------------|
| (a) Written test | (g) Assessment center |
| (b) Oral interview | (h) Performance appraisal |

Captain: Two years service in Lieutenant classification.

All P.O.S.T. certified law enforcement experience outside of the Knoxville Police Department must be approved through the Accelerated Advancement Program (described in Section 2113.9) before it can be used to meet the minimum years of service requirement.

Section 2113.8.1. Conditions for Waiving Minimum Requirement

For promotional positions, if no one applies for such a position, if no one passes all the requirements for such a position, or if no one accepts the promotional position, minimum requirements may be waived to allow the next preceding rank to apply for said position.

Officers who, due to an on-duty injury, do not have the required minimum years of service in a classification to be eligible for promotion may have the minimum years of service in a classification waived if the following conditions are met:

- (a) The officer's total years of service in the Knoxville Police Department uniformed body is equal or greater than the total years of service required for the promotional classification;
- (b) The officer has civil service status in the classification immediately preceding the promotional classification;
- (c) The officer does not have a history of abuse of restricted duty;
- (d) The officer has successfully completed all other minimum requirements; and
- (e) Approval is granted by the Board.

Section 2113.8.2 Annual Testing

Bi-annual promotional testing will be conducted by the Civil Service Merit Board for PO I – IV, and annual promotional testing will be conducted by the Civil Service Merit Board for Sergeant, Lieutenant, and Captain for the purpose of establishing eligibility registers. All requisitions which are received during the year between tests will be filled from the eligibility register. In the event that there is no candidate who meets the minimum service requirement for any classification, the annual testing is not required for that classification.

Section 2113.9. Accelerated Advancement

All uniformed officers must enter the Knoxville Police Department in the classification of Police Officer Recruit. While enrolled in the Knoxville Police Academy, officers have the opportunity to describe any law enforcement experience they possess outside the Knoxville Police Department. Information regarding outside experience is submitted on a form provided to each Recruit. The information provided in this form will be used to determine whether an Officer may be accelerated through the Police Officer career path.

After successful graduation from the Police Training Academy, employees move into the classification of Police Officer. All employees must remain in the Police Officer classification for a period of two (2) years before applying for the next level of the Police Officer series.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 21 – Promotions

Upon receipt of a fully completed accelerated advancement application but no sooner than during an Officer's first year in the Police Officer classification, a panel will review the Officer's law enforcement experience obtained outside the Knoxville Police Department. The review panel will be comprised of a member of the Civil Service Department and at least three (3) members of the Knoxville Police Department to be appointed by the Police Chief. Panel members may include the following: KPD Field Training Officer Coordinator, KPD Training/Personnel representative, and two (2) KPD employees occupying the classifications of Sergeant or above.

The Civil Service Department will coordinate and administer the review panel process procedures. In addition to reviewing information presented by each Officer upon initial application for Police Officer, panel members may also conduct a more extensive background investigation to determine the legitimacy of the information provided. The review panel not only evaluates number of years of experience but must also take into account an Officer's quality of service (with KPD and other agencies) and equivalency to KPD experience. Time served in a law enforcement academy will not count toward credit for accelerated advancement.

The determination of years of law enforcement experience obtained by each Officer does not guarantee promotion through the Police Officer career path. The decision only determines whether an Officer possesses enough experience to sit for the examination for a given classification.

In the event that an Officer disputes the decision of the panel regarding qualifying experience, the Officer may file an appeal and appear before a committee comprised of the Police Chief and Executive Secretary/Director to present his or her case. If a unanimous decision cannot be reached, the appeal will be brought before the Board for resolution.

The amount of experience determined by the qualifying panel may be used to accelerate Police Officers through the Career Development Plan. All Officers must serve at least one year in each level of the Police Officer series. Once this required period has been served, any Officer who possesses enough law enforcement experience and meets all applicable minimum requirements to move to the next level of the series may sit for the appropriate examination when it is posted. The following chart details the degree of experience necessary to apply for each level of Police Officer.

| Level | Law Enforcement Experience |
|--------------------|----------------------------|
| Police Officer I | 3 years |
| Police Officer II | 6 years |
| Police Officer III | 9 years |
| Police Officer IV | 12 years |

Current officers are subject to the same review process described in this rule. CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 28– Grievance Procedure

This rule applies only to those classified employees of the City of Knoxville who have completed their initial probationary period, which includes all departments, boards, agencies and commissions. Classified KUB employees covered by any agreement between KUB and any union will follow the grievance procedure established in that agreement. All other classified KUB employees shall follow the established KUB grievance procedure, the final step of which will be the same as Step 3 in this procedure.

This rule shall not apply in cases where it has been specifically exempted as in Sections 2701.7 and 2912. In addition, and in order to preserve the security of the Board's testing procedures, the usual procedures of this article shall not apply to complaints or grievances regarding civil service examinations, examination materials or documents which contain answers to test items. Complaints of this nature shall first be submitted directly to the Executive Secretary/Director for resolution within five (5) days of the grievance or of the employee's knowledge of its occurrence. If the matter cannot be resolved between the complaining party and the Executive Secretary/Director, the complaining party may then file a grievance pursuant to this Article. Said grievance must be filed within five (5) days from the date of the Executive Secretary/Director's final response to the complaint. Provided further, that in the event such a grievance is filed and in order to preserve the security of the Board's testing procedures, only the specific examination questions and/or documents at issue shall be the subject of the grievance. Furthermore, such test questions and documents and any other examination materials which may be relevant to the grievance shall be made part of the public records only upon the affirmative ruling of the Hearing Officer selected to hear that grievance. If no such Hearing Officer has been selected prior to such issue being raised, one shall be selected by the Executive Secretary/Director for the purpose of making such a ruling and to otherwise handle the Step III hearing, should such a hearing be necessary.

Matters relative to the administration and enforcement of the City's drug and alcohol policy are not grievable under Article 28 of these Rules and Regulations. However, disciplinary actions which result from the enforcement of the drug and alcohol policy shall be appealed under Article 27 of the Civil Service Merit Board Rules and Regulations.

All grievances will be administered in the following manner and processed within the stated time limits. All time limits are stated in terms of working days. Upon failure of the City to comply with the time limits set forth in the procedure and provide a required meeting or response, the employee shall assume this indicates a negative response and shall have the responsibility of proceeding to the next step of this procedure within the time allotted. Failure of the employee to comply with the time limits set forth in the procedure shall constitute an abandonment of the grievance.

Any City employee involved in this procedure will not be charged with leave during the period his/her presence or participation is required. The Board staff shall assist any employee with the preparation of his/her grievance and shall counsel the employee as to the procedures which must be followed. Further, the Executive Secretary/Director is given the authority to design any forms which, in his/her discretion, are found to be necessary and appropriate.

Use of the channels provided for resolution of problems or addressing concerns is encouraged. No classified employee shall be penalized for his/her submission of a good faith grievance. Any

classified employee will have the right to follow all the steps of the Grievance Procedure with complete freedom from retaliation. Acts of retaliation as the result of utilization of the grievance procedure or participation in the grievance of another City employee are prohibited. However, the filing of a grievance will not affect the City's ability to pursue appropriate disciplinary actions. Any employee who believes that he/she has been a victim of retaliation for participating in the grievance process should immediately report such activity to the Civil Service Director.

Step I:

- A. The employee shall present his grievance in writing to his/her immediate supervisor within five (5) days of the grievance or of the employee's knowledge of its occurrence. Said document shall include the employee's name, classification, and address. The grievance shall be dated as of the day the document is given to the immediate supervisor. The grievance shall contain the date of the grievance or the employee's knowledge thereof, the nature of the grievable action, the nature of the employee's disagreement with the action, and the relief being sought. The nature of the grievance shall be stated in sufficient detail to enable the supervisor to respond relative to the grievance. It shall also include a space for the immediate supervisor's signature, indicating his receipt of a copy of the grievance. If the immediate supervisor is unavailable to sign receipt, receipt may be signed by the supervisor's designee in order to preserve timelines.
- B. Upon receipt of the grievance, the employee's immediate supervisor shall sign the appropriate space, indicating receipt of the grievance. A copy shall be kept by the immediate supervisor, with the employee retaining the original. The employee shall forward a copy to the Civil Service Merit Board Office after the immediate supervisor has signed the receipt certification.
- C. The immediate supervisor shall discuss the grievance with the employee and shall attempt to adjust the dispute within three days. This meeting shall be coordinated by Civil Service staff and shall be held at a location designated by Civil Service. The only persons who may be present at this meeting are the supervisor and the grievant. It is the intent of this provision to encourage informal discussion between employees and supervisory staff on matters of mutual concern. Within three days of the meeting, the immediate supervisor shall answer the grievance of the employee. Said answer shall be in writing and shall state with particularity the immediate supervisor's response and the reasons therefor. Any action taken or the lack of action on the immediate supervisor's part shall be explained in this document. The answer shall include an explanation of the reasons for the original action which is the subject of the grievance. The answer shall state the date it is prepared and the date it is presented to the employee. The employee shall sign the answer as having been received and shall retain a copy thereof. The immediate supervisor shall retain the original to be placed in the employee's file.
- D. If the action which results in the grievance is taken by the supervisor above the employee's immediate supervisor, but below the level of Department Head, Step I

Article 28– Grievance Procedure

shall be read as referring to the intermediate supervisor who took the action and not the immediate supervisor.

Step II:

- A. If the grievance is not resolved at Step I and the employee wishes to continue with the grievance, the employee shall file a copy of his/her grievance with the Department Head within three (3) days of his/her receipt of the immediate supervisor's answer. If the Department Head is unavailable to sign receipt, receipt may be signed by the Department Head's designee in order to preserve timelines. After the Department Head has signed receipt, the employee shall forward a copy to the Civil Service Merit Board Office that includes the supervisor's written response.
- B. Within five (5) days of the receipt of the grievance, the Department Head shall hold a meeting with the employee, the immediate supervisor, the section supervisor, and any witnesses to discuss the grievance. This meeting shall be coordinated by Civil Service staff and shall be held at a location designated by Civil Service. The only persons who may be present at this meeting are the Department Head, the immediate supervisor, the section supervisor, applicable witnesses, and the grievant. It is the intent of this provision to encourage informal discussion between employees and supervisory staff on matters of mutual concern. Within three (3) days of this meeting, the Department Head shall respond in writing to the grievance.
- C. Said answer shall state with particularity the Department Head's response and the reasons therefor. Any action taken or the lack of action on the Department Head's part shall be explained in this document.
- D. The answer shall state the date it is prepared and the date it is presented to the employee. The employee shall sign the answer as having been received and shall retain a copy thereof. The Department Head shall retain the original to be placed in the employee's file.
- E. If the action grieved from has been taken by the Department Head, the grievance procedure will begin with Step 2.

Step III:

- A. If the grievance is not resolved after Step II, the employee, if he/she wishes to continue the grievance, shall file a copy of his grievance and a copy of all responses and/or answers obtained from his supervisors, Department Head, etc. with the Civil Service Merit Board Office within three (3) days of his receipt of the response from the Department Head.
- B. The Executive Secretary/Director shall select an appropriate Hearing Officer from a list approved by the Board. The Hearing Officer and the Executive Secretary/Director shall select a date for the hearing (or pre-hearing conference) of the grievance which date will be within ten (10) days of the receipt of the grievance in the Board office, provided that the Executive Secretary/Director shall have the authority to extend this period if he/she

- finds that he/she is unable to obtain a Hearing Officer within that period. The Executive Secretary/Director shall have the authority to extend this period if he/she has sufficient reason to believe the grievance can be settled by meeting with both parties and working out a settlement without incurring the expense of a Hearing Officer. After said meeting, if no resolution of the grievance is reached and the employee requests that a hearing be convened pursuant to Step III, the Executive Secretary/Director will arrange for the hearing. If the Hearing Officer finds in favor of the City, the City shall have the right to move that the Hearing Officer find that the grievance was frivolous. Upon such a ruling by the Hearing Officer, all costs incurred during Step III will be charged to the employee. In no event shall the hearing (or pre-hearing conference) be set by the Hearing Officer more than thirty (30) days after the receipt of the grievance in the Board office.
- C. Both parties shall have an absolute right to one continuance from the original date of the hearing (or pre-hearing conference), provided that said continuance will not be for more than twenty (20) days and provided that the request for the continuance is submitted to the Hearing Officer no later than three (3) working days prior to the date set for the hearing. The Hearing Officer will have the sole discretion as to whether a request for continuance not filed in a timely manner is granted.
- D. At the hearing both parties may be represented by counsel and shall have the right to call witnesses to testify. The strict rules of evidence shall not apply, and the Hearing Officer may take notice of any judicially cognizable fact or facts. The Hearing Officer shall reduce to writing his/her findings, conclusions, and decision within ten (10) days of the hearing. The original of this decision will be forwarded to the Board, with a copy provided for each party. The decision of the Hearing Officer shall be final; provided however, that such decision may be appealed in accordance with the provisions of Article 27 governing the appeal of a Hearing Officer in a disciplinary action.
- E. Pursuant to T.C.A. Section 27-9-114, contested case hearings by Civil Service Boards of a municipality which affect the employment status of a Civil Service employee are to be conducted in conformity with contested case procedures under T.C.A. Section 4-5-301 et seq. from and after January 1, 1989. Therefore, for any grievances pending or filed on or after January 1, 1989, such procedures shall apply to all hearings and/or pre-hearing conferences before a Hearing Officer held under this Article and to the extent any of the rules or procedures set forth herein conflict with the provisions of T.C.A. Section 4-5-301 et seq., the provisions of T.C.A. Section 4-5-301 et seq. shall control.

Article 29– Layoffs and Reductions In Force

SECTION 2901. NOTIFICATION OF LAYOFF

The Department Head, upon determining that there is a need to reduce the number of employees within a section of a department, or within the department as a whole, shall determine the positions in which layoffs or reductions in force are necessary. When these positions have been identified, this shall be indicated to the Board. The staff of the Board shall then develop retention registers for the affected position. Notification of layoff shall be sent to the individuals involved based upon the list developed from the retention registers as certified by the Board.

SECTION 2902. SECTION

A "Section" is defined as a recognized division or subdivision of a department and not the department as a whole. Determination of what constitutes the "sections" of a department may be based upon reference to prior or present budgets, organizational charts, or any other manner by which a recognized section in the organizational structure can be determined.

SECTION 2903. EMPLOYEE IN SAME CLASS PERFORMING DIFFERENT WORK

Employees having the same classification shall be construed as holding different positions if the nature of the work actually done by such employees is substantially different. If the Department Head determines that a situation exists in which two individuals have the same title but are involved in substantially different work, the Department Head shall submit a letter to the Executive Secretary/Director containing, with specificity, the nature of the work of the employees in the position from which layoffs are to occur and the justification for his determination that the work done by one or more of the said employees is substantially different from the work done by the remainder of these employees. If the Executive Secretary/Director finds that the justification is well founded, the employees shall be determined to hold different classifications and the Executive Secretary/Director shall recommend reclassification accordingly. The Executive Secretary/Director is authorized, at his discretion, to institute investigations into the nature of a position which is scheduled for layoffs if the Executive Secretary/Director has reason to believe that there are individuals within that position which are engaged in substantially different work although they hold the same classification.

SECTION 2904. REVERSE SENIORITY

The layoffs or reductions in force of a classification shall be executed on the basis of reverse seniority, with those persons having the least seniority in the classification being laid off first. This procedure shall continue until the reduction reaches a satisfactory level.

SECTION 2905. TRANSFER

Employees who are laid off shall be entitled to a transfer to a like position in any section or department for which they are qualified which is occupied by an employee with the least seniority in the classification. For positions which were covered by the civil service system prior to January 3, 1981, an employee shall be considered qualified if that employee has been certified to that position by the Board and has previously completed the probationary period. For positions which did not come under the civil service system until January 3, 1981, an employee will be considered qualified if he has held a like position for the required probationary period.

Article 29– Layoffs and Reductions In Force

SECTION 2906. RETREAT

Employees who are laid off and are unable to transfer or elect not to transfer to a like position in any section or department for which they are qualified shall be entitled to retreat to any existing lesser position which they previously occupied. Employees who have been laid off shall be entitled to return to any lesser position in any section or department for which they are qualified and for which they have the greatest seniority. As to positions which were covered by the Civil Service system prior to January 3, 1981, an employee is qualified for a position if that employee was certified through the Board and completed the appropriate probationary period. For positions coming under the Civil Service system as of January 3, 1981, an employee is qualified for that position if he has previously served in that position for the appropriate probationary period. If an employee elects to retreat to a position in a lesser skill level, the employee shall be entitled to receive the salary which is within the skill level of the lower position which provides for the least reduction in salary. Once an employee has been demoted for cause (a result of poor work performance, disciplinary action, etc.) from a classification, he or she shall not have retreat rights to the classification from which he or she has been demoted.

SECTION 2907. ABSENT RETREAT OR TRANSFER RIGHTS

If the employee who is to be laid off and who is not eligible to transfer to a like position or to retreat to a former classification as defined in Sections 2905 and 2906, then said employee can only be laid off.

SECTION 2908. RIGHTS OF AN EMPLOYEE WHO HAS BEEN BUMPED

An employee, who is laid off as a result of another employee transferring to or returning to the first employee's position, is eligible to transfer or return to another position pursuant to these rules and regulations.

SECTION 2909. RE-EMPLOYMENT ELIGIBILITY FOR TWO YEARS

For a period of two years from the date of his layoff, any employee laid off in connection with a reduction in force is entitled to return to any position in any section or department of the City formerly held by him in the event a vacancy occurs in that position. This right to return is dependent upon the employee being on the re-employment list in accordance with the Rules and Regulations of the Board.

Section 2909.1 Re-Employment Seniority Status

Any classified employee laid off in connection with a reduction in force who is re-employed within two (2) years of his/her layoff shall retain all seniority rights and privileges obtained prior to the layoff. Any classified employee who is laid off and is not re-employed within two years of the layoff shall be considered as having a break in service; therefore, any re-employment thereafter will be as a new employee.

SECTION 2910. ELIGIBILITY LIST FOR TWO YEARS

Any employee laid off in connection with a reduction in force, for a period of two years thereafter, will, without taking any examination, be placed at the head of the civil service eligibility list in accordance with the Rules and Regulations of the Board.

Any classified employee laid off in connection with a reduction in force, for a period of two years thereafter, shall receive promotional preference in their standing on the eligibility register for classifications for which they apply and meet all the necessary qualifications or requirements as provided in Section 2107.

SECTION 2911. RIGHTS LIMITED TO OCCUPIED POSITIONS

SECTION 2912. WORK HISTORY RIGHTS

The staff of the Board shall develop a work history status for each employee who is laid off so that the employee's rights of transfer and return are known. The employee shall then be advised of those rights. If the employee does not agree with this determination, he may appeal the same to the Executive Secretary/Director. The Executive Secretary/Director shall make a decision regarding the employee's appeal of the determination of his/her work history rights within three (3) working days. This decision shall be final and shall not be grievable under Article 28 of these Rules and Regulations.

SECTION 2913. BOARD WILL REVIEW UNUSUAL SITUATIONS

Should a situation arise in which the above set out rules and regulations do not adequately provide guidance, the Board shall consider the individual case and make a determination pursuant, to the greatest extent possible, to these rules.

SECTION 2914. QUALIFIED TO FILL A VACANT POSITION

If a person on the reinstatement or re-employment list is referred to a Department where a vacant position exists and the Department Head determines that the individual is not qualified for the specific duties of the position which is vacant, the Department Head shall return the application of the individual along with a position description and justification for this determination. The Executive Secretary/Director shall then obtain from the individual, his former supervisor, or any other reliable source of description of the duties performed by this individual prior to being laid off. The Executive Secretary/Director shall then compare this information to determine if the individual is qualified for the vacant position based upon his previous duties. If the Executive Secretary/Director determines that the individual is qualified, his application shall be returned for consideration. If the decision is that the individual is not qualified, the next individual on the reinstatement or re-employment list (whichever is applicable) shall be referred to the Department Head. Absent individuals being available on these two lists, other lists shall be referred in accordance with the Rules and Regulations. (See Rule 15, Sections 1505, 1512, and 1515.)

SECTION 3001. REDUCTION OR LATERAL TRANSFER RESULTING FROM DISABILITY

Whenever classified employees sustain a disability making it impossible for them to continue to perform in the classification in which they are currently assigned, they may request placement in a classification of lower or lateral rank and pay, provided they are qualified to perform the essential functions of that classification, with or without reasonable accommodation. Properly submitted requests for reasonable accommodations, which involve the reassignment of a classified employee or some other personnel action which is within the purview of the Civil Service Merit Board, shall be submitted to the Executive Secretary/Director of the Civil Service Merit Board prior to any action being taken. The confidentiality of the accommodation request shall be maintained to the extent allowable in accordance with federal law. The Executive Secretary/Director and the Chairman of the Civil Service Merit Board shall confer regarding the appropriateness of the proposed accommodation, and by consensus they shall have the authority to waive rules contained herein and to certify an employee to a classification where a vacancy exists in which the employee with a disability is qualified to perform the essential duties with or without an accommodation. Article 32– Professional Services Contract

SECTION 3201. PROCESS FOR REVIEWING CONTRACTS FOR PROFESSIONAL SERVICES AND CRITERIA FOR DETERMINING INDEPENDENT CONTRACTOR/EMPLOYEE STATUS

- I. Professional services contracts shall not be entered into for the purpose of circumventing the merit plan. When the City decides to utilize services and prepares a contract or reaches an understanding for such services, the contract or proposal should be submitted to the Board or the Board's representative for review and consideration in accordance with the procedures set out below and for the purpose of determining the true legal character of the relationship.
 - A. Upon review of the Agreement between the City and the individual or entity providing the services, the Board or its representative shall determine whether the arrangement is one of an "employee" or one of an "independent contractor". In determining whether the agreement creates an employment relationship or an independent contractor relationship, the Board or its representative shall consider, among other things, the following criteria:
 1. Whether the person receiving the benefit of the service has the right to control the manner and method of performance;
 2. Whether the person rendering the service has a substantial investment in his own equipment being utilized;
 3. Whether the person rendering the service is undertaking substantial costs to perform the services;
 4. Whether the person performing the service has an opportunity for profit dependent on his managerial skill;
 5. Whether the service rendered requires special training and skill;
 6. The duration of the relationship between the parties;
 7. Whether the service performed is an integral part of the recipient's business rather than an ancillary portion;
 8. Whether the person rendering the service has a risk of loss;
 9. The relationship which the parties believe they are creating;
 10. Whether or not the person who performs the services offers such services publicly and practices an independent trade;
 11. Whether the custom in the trade or industry is for the service to be performed on an independent contractor or employee basis;
 12. Whether the person who is receiving the benefit of the service has the right to discharge the person performing the services without cause;
 13. Whether the person who performs the services has the right to delegate his duty to others.

CIVIL SERVICE MERIT BOARD RULES – CITY OF KNOXVILLE

Article 32– Professional Services Contract

- B. If the Board or its representative determines that the relationship is one of an independent contractor and the contract terms themselves are consistent with that notion, the Board would take no further action nor would it have any further involvement.
- C. If the position is such that it could be an independent contractor but the terms of the contract themselves are inconsistent therewith (i.e., the contract establishes or creates an employee relationship in the opinion of the Board or its representative) the Board would notify the City and the City would have the choice of either changing the contract to render the relationship to be one of an independent contractor and thus not subject to the Civil Service Merit System, or to proceed with that person as an employee.

SECTION 3202. CRITERIA FOR DETERMINING EXEMPTIONS OF EMPLOYEES FROM THE CIVIL SERVICE SYSTEM

If the position or relationship is determined to be one of an employee, then the Board must decide whether the position will be exempt or non-exempt (i.e., unclassified or classified) from the Civil Service Merit System. In determining whether a position will be exempt, the Board must determine that such action does not conflict with the merit system and that it is for the good of the City, which determination is within the Board's discretion. In making this determination, the Board shall consider, among other things, whether one or more of the following criteria is present:

1. The length of service to be performed. In this regard, if the service is to be performed for a period less than ninety (90) days, the position will generally be considered exempt. If, however, the service is to be performed over a period greater than ninety (90) days, the position will generally be considered non-exempt.
 2. The service is seasonal (i.e., performed only for a portion of the year).
 3. The employee, while working only seasonally, will nevertheless be repeating the employment on consistent basis.
 4. The service being performed is as a result of an emergency.
 5. The services are professional in nature (i.e., legal, medical, accounting, etc.) and where such services cannot be performed by current professional staff because of conflict, workload or otherwise.
 6. The duties and responsibilities being performed are normally performed by exempt employees, such as positions which include substantial policy-making or the handling of confidential matters.
 7. The position is in the nature of an apprenticeship or training.
 8. The position is to be filled by a full-time student attending an accredited college or university.
 9. The position has been performed in the past by other employees of the City who were considered exempt from the Civil Service Merit System.
